

LaBarre/Oksnee Receives Exclusive California Appointment through CAU

ALISO VIEJO, Calif., January 3, 2011 — LaBarre/Oksnee, insurance brokers that provide the best option for comprehensive coverage and protection, today announced the agency has received an exclusive California insurance carrier appointment through Community Association Underwriters of America, Inc. (CAU). With 23 years of experience in 29 states, CAU is one of the largest insurance providers in the United States, serving only community associations, residential and office condominiums, cooperative apartments, and homeowners associations. CAU has developed a specialized program that meets the unique insurance requirements of community associations and specifically addresses community association concerns.

“Very few agents across the country qualify to represent this exclusive program,” said LaBarre/Oksnee CEO Scott Oksnee. “It is LaBarre/Oksnee’s extensive knowledge and expertise of the community association field that led CAU to grant us with this important appointment.”
